

## Where you live shouldn't limit your child's access to world-class medical care.

Gillette Children's Specialty Healthcare has expanded its clinic in Baxter, MN and is providing more telemedicine options. Save time and travel by scheduling a convenient appointment conducted via video conference.

The Essentia Health St. Joseph's Baxter Clinic offers Gillette specialists in several pediatric services including:

- Craniofacial
- Plastic Surgery
- Orthopedics
- Sleep Health

We're increasing opportunities for Gillette to partner with families and health care providers in the area. Together, we ensure all kids will discover what they CAN achieve.
